MUSIC FUN BOOKS / TEACHER PREVIEW

The Intermediate FUNdamental Violin Book

Second-year violin | Early intermediate | Selected interior pages

The next step after first-year violin

Created as the sequel to The Violin Fun Book for Young Students, this method first reviews familiar songs, notes and bow hold, then develops E- and G-string playing, scales, fourth finger, slurs and changing finger patterns. Large notation, finger diagrams and free video lessons help young players build technical confidence and musical independence.

Inside this preview

18 original book pages, presented in instructional order:

p. 1 **Welcome Back**
Open-string and bow-hold refresher

p. 2 **Note Review**
First-position fingerings and note names

p. 3 **Familiar Review Songs**
Large noteheads with letter-name cues

p. 19 **D Major Scale**
C-sharp, high D and note-reading exercises

p. 22 **E String and F-sharp**
