MUSIC FUN BOOKS / TEACHER PREVIEW

The Real Book for Beginning Elementary Band Students

Clarinet / Trumpet | 70 familiar songs | Six-note reading approach

One repertoire. Two stages of music reading.

Seventy familiar tunes use just six notes, allowing young B-flat clarinet and trumpet players to concentrate on reading, rhythm and musical fluency. In pages 1-34, letter names appear inside the noteheads. Pages 35-68 repeat the same music without the letters, giving students a natural transition to independent staff reading. Extra-large notation keeps each page clear and approachable.
